

Lincolnshire Local League
Branston Braves V Torksey Raiders
Played May 23rd 2025

The weather could not have been kinder, beautiful blue skies and a gentle cooling breeze made for lovely playing conditions. The two teams were pretty evenly matched in terms of handicaps. The four players for the Braves (Judy Crowe, Mike Kaye, Wendy Wilcox , Christine Metcalf and Judy O'Shea) had a combined handicap of 39/40. The Torksey Team (Loll Linder, Duncan Watt, Joyce James and Pete Downs) were 2 less with 37. Contrary to how it looks ie we had one more player than Torksey that is because Wendy and Christine played 2 games each to give Wendy's back a chance to recover. Most of the 35 minute matches were closely contested and Torksey players are to be congratulated on several long distance hoops – no mean feat on our lawns. Thanks to all who turned up to support the Braves and to Bernard for setting out the lawns and Terry for timekeeping. Our next match is away at Woodhall Spa.
