

Lincolnshire Local League

Branston Braves V Woodhall Lancasters

June 2 2025

For this, our third match in the Local League the team was Judy and Colm O'Shea, Mike Kaye and Judy Crowe. The lawns at Woodhall were in very good condition after the recent rain and wonderfully weed free. The little bumps and roles were still there but most of the team had played there at least once so they were able to manage them. The final score was Woodhall 8 Branston 6. The matches were closely contested and special congratulations to Judy O'shea (Hcp 14) who won her final match against Woodhall's number 1 (Hcp 6). As always the hospitality was great and everyone enjoyed their day.
